From the moment of arrival, guests are invited to immerse themselves in the charm and elegance of our historic hotel.

Take time to settle in and explore the surroundings before joining us from 2:00pm in one of our welcoming, fire-lit lounges, where a festive reception awaits, featuring an array of indulgent sweet and savoury platters.

As evening draws near, enjoy a delightful cocktail and canapé reception with the management team in the stunning Italian Lounge, accompanied by the uplifting harmonies of a local choir performing cherished Christmas carols.

Later, guests will be invited to a sumptuous dinner in the Oak Room Restaurant, enhanced by the gentle accompaniment of our resident pianist.

To conclude the evening, gather in the Mattingley Suite for a screening of Midnight Mass from Westminster Abbey, served with warming hot toddies and homemade mince pies, a serene and comforting end to a memorable Christmas Eve.

Christmas Day

Begin Christmas Day with a leisurely breakfast, the perfect start to a day of celebration. In the morning, we are delighted to welcome Father Christmas, who will visit with joyful gifts for children and families alike, followed by cheerful carol singing gathered around the fire.

Guests may then spend the morning at their leisure in our spacious lounges, an ideal setting to relax with family and friends and enjoy the festive atmosphere. Mulled wine will also be served.

A sharing family platter lunch follows in the Tynley Suite, accompanied by fine wines and the elegant melodies of our resident pianist.

For those wishing to explore, a festive picture-matching hunt offers a charming way to discover the grandeur of the house and its picturesque grounds. Together, we will also gather to watch His Majesty King Charles III's Christmas Day speech.

As evening falls, guests are invited to a Champagne and canapé reception, followed by a sumptuous Traditional Christmas Dinner in the Oak Room Restaurant.

The celebrations conclude in the Italian Lounge, where the smooth sounds of our resident saxophonist provide a relaxed and elegant end to Christmas Day.

26TH DECEMBER

Boxing Day

Traditionally a day for family and friends, with relaxation at its heart, guests are invited to enjoy the Health Club, indulge in rejuvenating beauty treatments, unwind with board games in our cosy lounges, or take a leisurely stroll through the hotel's picturesque grounds.

Join us for a glass of Bucks Fizz before a relaxed sharing platter lunch in the Tynley Suite, accompanied by our resident harpist.

The afternoon may be spent at leisure in the lounges, preparing for the evening ahead.

In the evening, the celebrations begin with Champagne and canapés, followed by a five-course black-tie dinner in the Oak Room Restaurant.

Afterwards, the Jazz Trio Omnibus will perform in the Italian Lounge, providing a truly elegant and atmospheric end to Boxing Day.
