'All our guests were made to feel very welcome and they all commented on the high level of service both during and after the wedding. Our thanks to you personally for your assistance in the run up to the wedding and for arranging such nice rooms for everyone. Having just placed our wedding in your hands we can't think of any reason why a couple would not want to get married at Tylney Hall.'

## YOUR WEDDING DAY

---

Nestling in the heart of a 66-acre estate surrounded by lakes, historic manicured lawns, a fragrant rose garden, tranquil water features and a long tree-lined vista overlooking the rolling Hampshire countryside, Tylney Hall is a magical and romantic location.

Originally built as a private mansion, Grade II listed Tylney Hall is at the end of a sweeping drive and retains the magnificence of a bygone era combined with the luxurious facilities of a modern hotel.

Our wedding venues, also licensed for civil ceremonies and partnerships, include the baronial Tylney Suite, Chestnut Suite and the self-contained Hampshire Suite with its own private gardens, along with more intimate venues such as the Mattingley and Newnham Suites.

Whether you are planning a lavish banquet for up to 120 guests or an intimate celebration with close family and friends, we understand that every wedding is unique and no two celebrations are the same. Your dedicated wedding planner will help with every aspect of the preparations and the award-winning Tylney Hall team – winners of a national accolade for Outstanding Customer Service – will ensure you really do have the best day of your life.

### PRE WEDDING ARRANGEMENTS

As weddings aren't just about the big day itself, we can offer you a host of ways to celebrate your forthcoming nuptials with themed pre-wedding weekends and short breaks, such as fun-filled Country Gents and Gorgeous Girls packages including activities such as clay pigeon shooting, duck herding and cocktail mixing. Alternatively start the wedding celebrations themselves a day early with a champagne afternoon tea, or a private dinner for family and friends. These are just some suggestions and we would be delighted to tailor special packages to suit your individual needs.

The spa provides a soothing sanctuary for pre and post-wedding pampering and bridal make-up. Our leisure facilities also include indoor and outdoor swimming pools, all-weather tennis courts, croquet, jogging trails, mountain bike hire and golf at the adjacent 18-hole course. Alternatively, guests staying at the hotel can simply stroll around the stunning grounds or relax in one of the comfortable lounges.

### FIRST NIGHT AND MINIMOONS

Tylney Hall has 112 beautifully appointed rooms and suites, including the spacious Duke and Duchess Suites with four poster beds, separate lounges and spa baths, that provide a spacious and luxurious retreat for wedding couples.

Not all couples opt for a traditional honeymoon, making a Mini-Moon a perfect alternative. A Mini-Moon could be your wedding night, the one or two days between your wedding and honeymoon, a short honeymoon in itself or a romantic getaway for those who prefer to take a longer break in the weeks or months after their wedding.

What could be a more romantic way to start your married life than with a luxurious and relaxing break at Tylney Hall? From the minute you walk into your room, where chilled strawberries and Champagne await your arrival, you'll be cocooned in extravagant comfort. We can arrange for dinner and breakfast to be served in your room or you can enjoy your evening meal in our candlelit award winning restaurant.

## TYLNEY SUITE AND CHESTNUT SUITE

---

Situated inside the mansion house, the Tylney Suite is our largest venue and provides a magnificent location for lovers of traditional weddings. The grand baronial-style hall, with its high vaulted ceiling and minstrel's gallery, creates an atmosphere that is as luxurious as it is special, making it a much sought after setting for larger wedding ceremonies. Your drinks and canapé reception will be held either on our Italian terrace overlooking our glorious formal Italian gardens which are ideal for photographs or, during the winter months, in the Library Bar which has a cosy, regal feel of luxury from a by-gone era.

Your wedding breakfast is held in the Chestnut Suite, which is also full of character with a beamed ceiling and large fireplace. This suite has its own private reception area, complete with bar and cloakroom and there is space outdoors for a variety of activities should you like to take the party outside. Your evening reception can go on until 1.00am and your designated banqueting team will ensure that your day is as special as you hoped it would be.

## HAMPSHIRE SUITE

By way of a change of style, the private, self-contained Hampshire Suite is located in a separate building, a short walk from the mansion house, with a more contemporary style.

The Major Cazyer Suite, situated upstairs, is ideal for more intimate wedding ceremonies. After the ceremony you and your guests can make your way down to the Hampshire Suite garden where your drinks and canapé reception will be held. The pretty, private walled garden in the grounds of the Hampshire Suite is a perfect place for guests to gather while the bride and groom have photographs taken. The nearby Water Gardens provide an alternative and unique location for some beautiful wedding photographs.

The wedding breakfast is held downstairs in the Sir Lionel Phillips Suite, which has its own separate reception area and bar. The gardens are solely yours to use throughout your wedding reception and can be an ideal location for an evening BBQ as an alternative to the traditional evening buffet, or for garden games to keep everyone entertained.

## INTIMATE WEDDINGS

---

We know that weddings come in all shapes and sizes, so we have a range of intimate wedding venues. Whether you are planning a quiet celebration with a handful of close family or friends, or simply want a smaller wedding, we recommend suites such as the Newnham Suite or Mattingley Suite which are perfect for parties up to 40.

Again, each one is beautifully appointed and has its own period atmosphere, and, if you wish, can be decorated to match your individual style.
